February 3<sup>rd</sup>, 2025

Dear Friends,

Thanks to you, our annual fundraiser last year was sold out and was a fun, exciting, and hugely successful Luau. We raised over forty thousand dollars for our animal care.

This year we are ready to do it again - so find your ten-gallon hat, your boots, and that great plaid shirt... for our Wild West Hoedown!

On Saturday, March 29th, 2025, we're headed on back to the Oceans Blue restaurant at Ocean Reef Resort & Yacht Club for what we hope will be another sold out event.

As you know we care for over 1200 dogs and cats in Grand Bahama, we are not funded by the government, so it is because of sponsors like you that our doors stay open to feed, wash and provide medical care for these animals from East to West. It is also our biggest hope that we can revitalize our vital spay/neuter programme which we are hoping to expand this year, to stop over population and helps control animal numbers here by delinquent pet owners.

By becoming a sponsor, you can make a significant impact in our work and help make this year's Hoedown – even better than last year's fundraiser. We also want to encourage you that cannot donate financially to consider being a part of our great silent auction which we showcase on social media for all to wrestle over.

We have attached this year's sponsor rates and information and auction item suggestions too. Please reach out to any of our team for more information, and let's wrangle up a great time for all.

**We're just fixin to have fun,  
so grab your partner and join us as we Dosey Doe!**
